

This is your official TIPS certification card. Carry it with you as proof of your TIPS certification.

Congratulations!

This card certifies that you have successfully completed the TIPS (Training for Intervention ProcedureS) program. We value your participation and dedication to the responsible sale, service, and consumption of alcohol.

By using the techniques you have learned, you will help to provide a safer environment for your patrons, peers, and colleagues and reduce the tragedies resulting from intoxication, underage drinking, and drunk driving.

If you have any information you think would enhance the TIPS program, or if we can assist you in any way, please contact us at 800-438-8477.
